Republic of Sudan  
Permanent Mission to the United Nations  
New York

Ref. 264/06

The Permanent Mission of the Republic of Sudan to the United Nations presents its compliments to the Permanent Mission of (country name) to the United Nations, and with reference to the Secretariat note Verbale DPKO/PD/NV/2006-00124 dated September 22nd, 2006 (attached) concerning the invitation addressed to Troops Contributing Countries and Police Contributing Countries to nominate Police personnel, have the honour to convey the following clarifications:

(1) Sudan's unequivocal position pertaining to Security Council Resolution 1706 is total rejection for the various reasons repeatedly reiterated by Sudan.

(2) In the absence of Sudan's consent to the deployment of UN troops, any volunteering to provide peace keeping troops to Darfur will be considered as a hostile act, a prelude to an invasion of a member country of the UN.

(3) Sudan fully supports augmenting the African Union forces with all reinforcement means in order that they discharge their Responsibilities enshrined in the Abuja Agreement.

(4) Care is required in dealing with CPA and DPA, as UNMIS is crafted to serve the agreed upon CPA requirements and mandate.

The Permanent Mission of the Republic of Sudan to the United Nations avails itself of this opportunity to renew to the Permanent Mission of New Zealand to the United Nations the assurances of its highest consideration.
